

# Upgraded card management features coming soon to our mobile app.

## Set transaction limits, view spending insights, add cards to your digital wallet, and more!

Here's what you need to know for a seamless upgrade:

- Beginning evening of April 20th, for up to 24 hours, the current card management functionality in our mobile banking app will be unavailable.
- You can still use your cards and access other mobile banking features during this time.
- After the upgrade, make sure your app is up to date, and simply tap My cards within the mobile app to get started.
- For online banking, simply login after the launch date and click My Cards to get started.

**If you haven't already, download our mobile banking app from your device's app store today [or establish an online banking account].**
