By participating in Enbright Credit Union's Skip a Payment program, you request that Enbright defer your loan payments(s) as indicated. You agree and understand that 1) Finance charges will continue to accrue at the rate provided in your original loan agreement, during and after this time; 2) Deferring your payment will result in your having to pay higher total finance charges than if you made your payments as originally scheduled. 3) The payment deferral will extend the term of your loan(s) and you will have to make extra payment(s) after your loan(s) would otherwise be paid off. 4) You will be required to resume your payments the following month; your next monthly payment will include finance charges from the skipped month. 5) Payment protection will still be added for the skipped month. If you purchased Gap insurance, it may not cover all months skipped over the life of the loan.

Skips are not allowed until 12 months of payments have been completed on the loan. Only one skipped payment allowed per 12 month period.
